WHAT DOES THE COMMUNITY THINK?

EUROPEANA INNOVATION TASK FORCE NEEDS YOUR HELP!

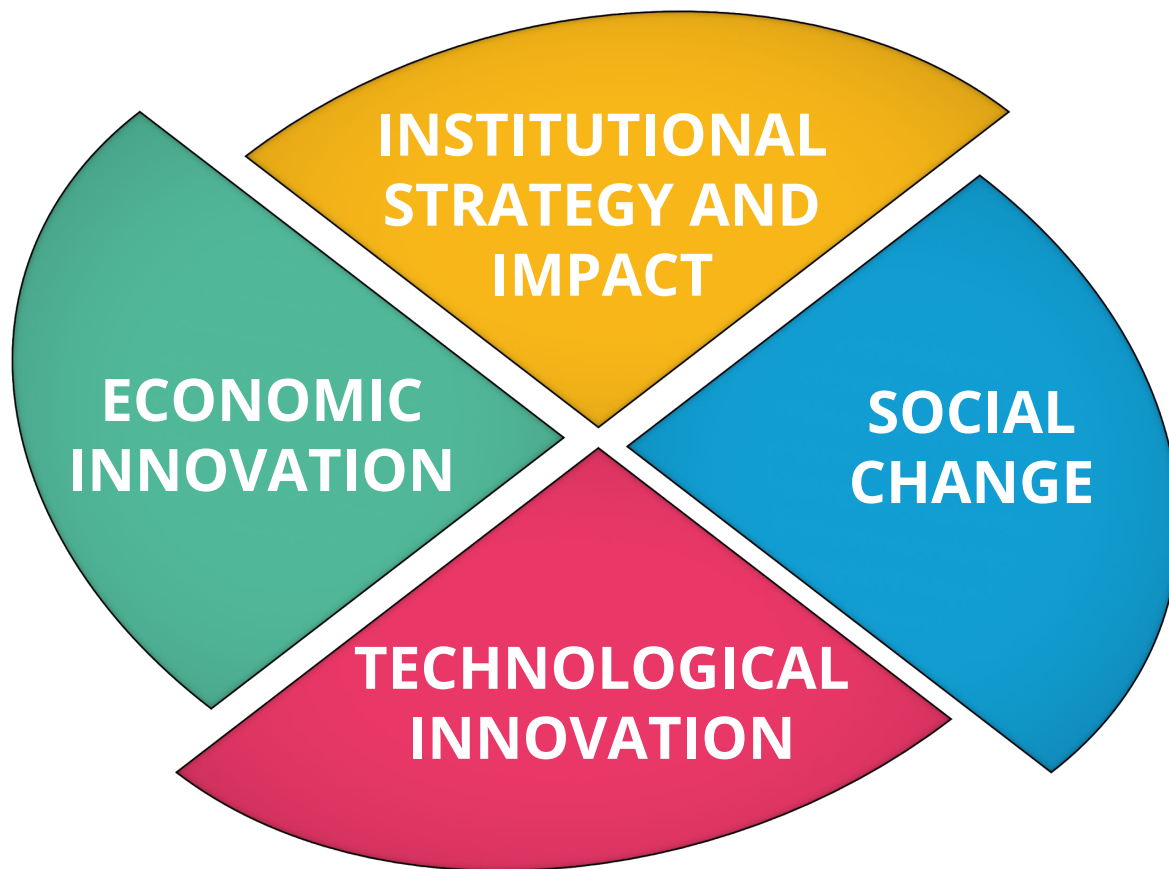

What research and innovation topics should be included in the agenda for future development and growth of the digital cultural heritage sector?

Leave your address below and we will send this card back to you.

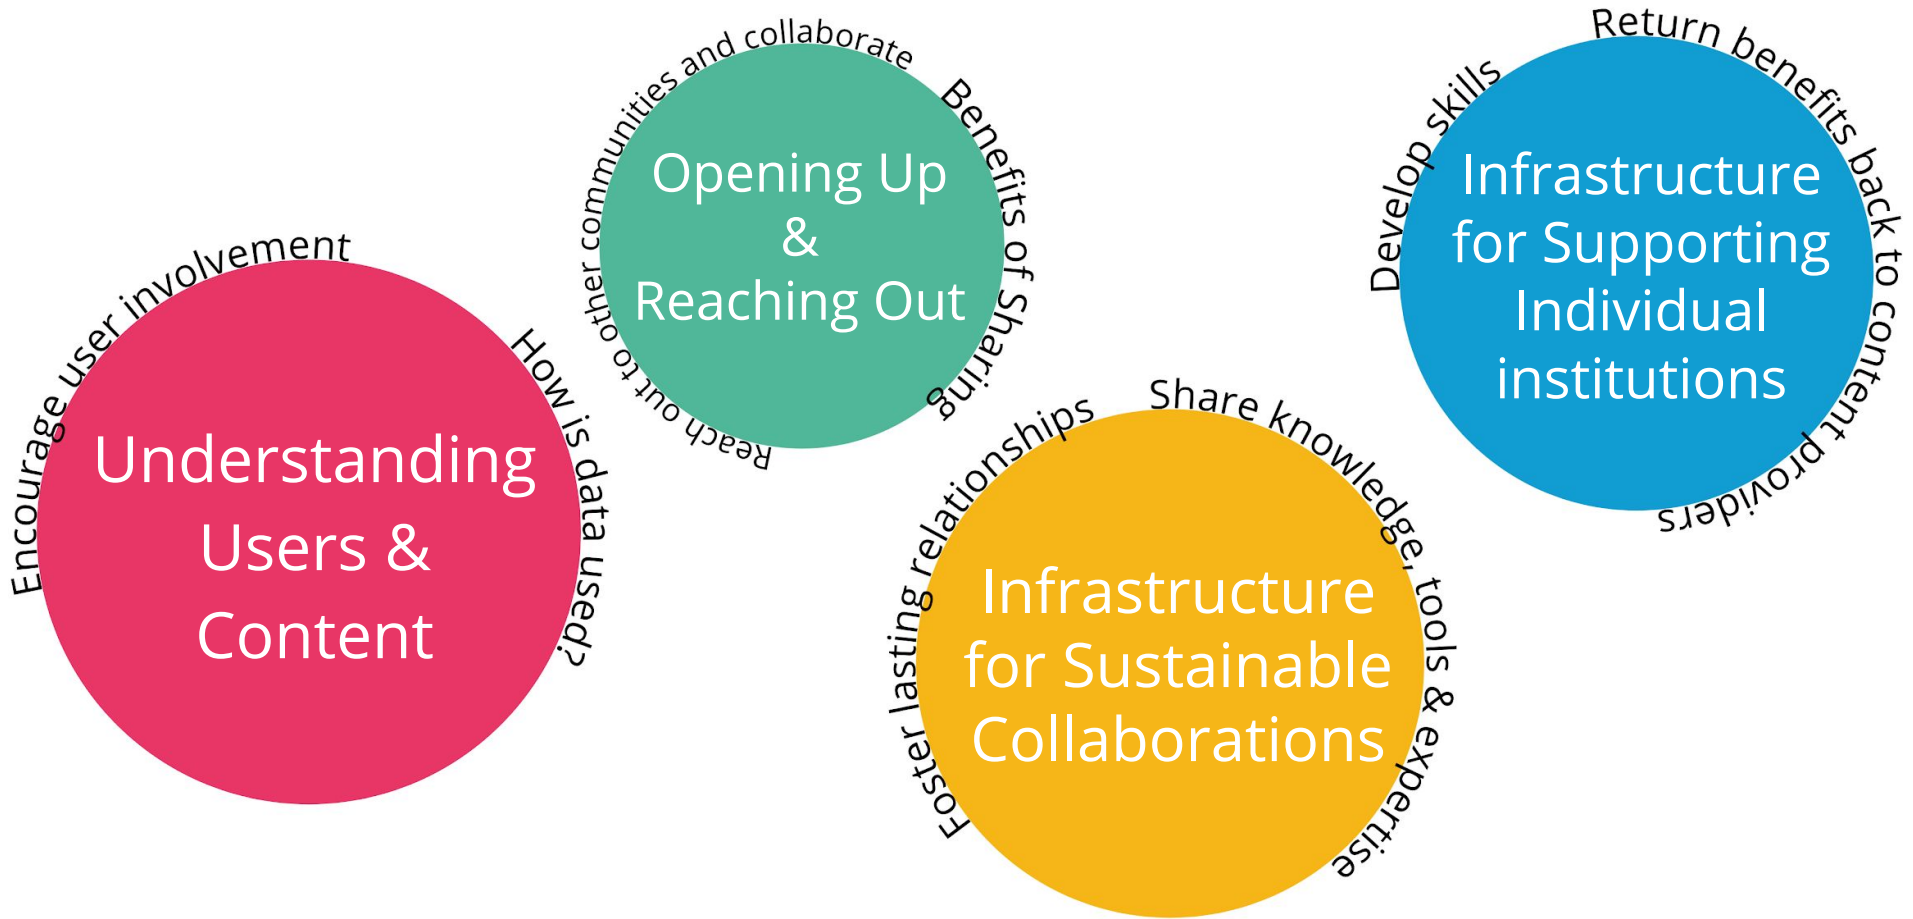

The word cloud features a central focus on 'metadata' and 'data', which are rendered in large, bold, red and white characters. Surrounding these are various terms related to digital libraries, open access, and user engagement. Other prominent words include 'community', 'technology', 'usability', 'search', 'users', 'interactions', 'collaborate', and 'engagement'. The background is dark blue, and the text uses a variety of colors including white, red, teal, and light blue to differentiate the words.

Key words visible in the cloud include:
